Band Camp at Camp Duncan provides a wonderful opportunity for the Marching Redhawks to learn this year's competitive field show, with plenty of practice time on and off the field, but is also a great teambuilding time where the students live together as a group, make new friends, bond with old friends, and share new experiences.

Days are spent learning the drill for the show, practicing the music in sectionals and full ensemble, and marching, marching, and more marching. There is also a time set aside for swimming, a dance, talent night, campfires, other teambuilding activities, and time to relax.

The students are housed in cabins that sleep 16 campers. The girls' cabins have attached bathrooms, the boys walk to the showers/restrooms a short distance from their cabins. Meals and snacks are served in the air conditioned lodge. There is a nurse's station, staffed by the chaperones, and the nearest emergency room is just a short drive away.

Important Info

Luggage

Luggage taken to camp must be inspected before it is loaded on the truck. We do this the day before we leave in order not to get a late start the morning of Band Camp. Please bring luggage (except carry on) to Highlands Elementary School, Door 14, on Friday, August 6, 2010, between 5:00 and 6:30 p.m. Luggage will be inspected on Friday and loaded onto the truck to be taken to Band Camp.

Dress Code

District 203 guidelines should be followed when selecting clothing to bring to Band Camp. Sleeveless white t-shirts are a favorite because of the sun and heat. Caps or visors will be allowed and are encouraged. No garments depicting beer, alcohol, liquor, or drugs, or with symbols depicting inappropriate language or sexual actions may be worn. No bare midriffs or bare backs will be allowed during camp. No low-cut clothing or short shorts should be worn. Shirts must have straps. A student will be sent to change clothes if their attire is deemed inappropriate.

Don't Forget

There are **three very important items** that every band camper should have. Please don't forget **bug repellent, lots of sunscreen and a large water bottle**. Much of the discomfort students have experienced in the past can be contributed to not having these items. It is especially important to apply sunscreen several times a day.

Medications

Students are responsible for their own prescription or over-the-counter medications. Prescription medications must be brought to camp in a current pharmacy container clearly marked with the student's name. Over-the-counter medication should be in the original container, labeled with the student's name. We are not able to dispense any medications to the students. If you think that your child might need a pain reliever, allergy medicine, sunburn lotion, etc., include it in their camp supplies. Please inform them how to use the medication properly and stress the importance of not sharing their medicine with others.

Curfew

During Band Camp, students must be in their cabins by 10:30 p.m. Lights out at 11:00 p.m. Cell phone use and texting is expected to end at 11:00 p.m.

Visitors To Camp

We welcome you to come and visit camp; however, visiting will be limited to watching during rehearsal times only. What a great way to see the kids hard at work! Of course, no visitor is allowed to interrupt rehearsals in any way. We would like the students to eat together during meal times, since that is a prime time for talking and bonding. *Please do not plan to take your child off campus for meals, shopping, etc.* We are unable to provide meals or overnight housing for visitors at the Camp. NCHS Band Camp Rules and Guidelines YMCA Camp Duncan, Ingleside, Illinois

It is impossible to list all the “do’s and don’ts” that should be followed to make Marching Redhawk Band Camp a success. We know that as a Naperville Central High School student, you will conduct yourself appropriately to uphold the high standards of self-discipline and personal pride that have been a tradition of The Marching Redhawks!

Generally, members are reminded of two concepts to ask themselves:

- 1. Is this behavior appropriate in this environment?*
- 2. If you are in doubt about something you are about to do,
DON'T DO IT!!!*

Band Camp is considered an extension of the Naperville Central campus. All relevant rules and expectations contained in the Naperville Central “Parent-Student Handbook” and the Marching Redhawk Contract are in effect and will be enforced. **Any major infraction will result in your immediate dismissal from camp with your parents/guardian providing transportation home.** Make sure that everything you do is only intended to make the Marching Redhawks the best that they can be!

Camp Duncan has asked that we make all campers aware of the following policies and procedures:

1. **Check-in Orientation:** Upon arrival, a camp staff host will provide a required orientation for ALL participants. The orientation will cover general safety regulations, communication in an emergency (missing persons, weather), security concerns, warning systems and meal procedures.

No camper is to enter their cabin until a chaperone has checked for previous damage!

Absolutely, no boys are allowed in the girls' cabins and no girls are allowed in the boys' cabins!

2. **Smoking:** Smoking is not permitted in any buildings on the camp property. Smokers (chaperones or staff only) must smoke outside and are asked to put the cigarette butts in a butt can.
3. **Supervision of group members:** Groups are responsible to provide supervision of all group participants at all times while using Camp Duncan facilities and or programs. It is the responsibility of the group leader to implement periodic attendance checks and buddy systems to assist in accounting for their group's participants throughout their stay at Camp Duncan.
4. **Alcohol and illegal drugs:** Alcohol and illegal drugs are prohibited on the property. Violators will be asked to leave the property.
5. **Camp Kitchen:** The kitchen is off limits to all group members. Group members are not allowed past the kitchen counter. Should you need something from the kitchen, please wait at the counter for kitchen staff assistance. Due to Lake County Health Department regulation, groups are not allowed to use the kitchen for snacks, meal preparations or programs.
6. **Lost and Found Items:** Any items found by the camp staff will be placed in the lost and found box in the main lodge. Unclaimed items will be given to a charity after two weeks.
7. **Leaving cabin/departing camp:** Groups are responsible for sweeping out cabins, turning off lights and shutting doors upon departure.
8. **Damage:** All damage is to be reported to the camp staff. Groups are financially responsible for any damage to facility or equipment caused by any members of the group. The following is the damage charge for

incurred damages: This list is not limited to the items below. The camp will determine damage costs for all other items not listed below.

staff or other campers. A search may or may not include the use of specially trained dogs.

17. **Weapons:** Weapons are prohibited at camp. A weapon can be deemed as any item designed to cause bodily harm or any item not “designated” to cause bodily harm that is deemed potentially harmful. All types of knives, firearms and dangerous items are prohibited on the camp property. If weapon is deemed potentially illegal, law enforcement officials will be contacted immediately. Additionally, Camp Duncan will assist law enforcement with prosecution to the fullest extent of the law.
18. **Personal property:** All personal property is the responsibility of the owner. Camp Duncan is not responsible for any loss or damage to personal property/equipment. Personal sporting equipment is the responsibility of the owner, including the liability and any negligence associated with the use of personal sports equipment.

If you have any questions or concerns about any of these guidelines, please check with Mr. Alstadt, or your cabin chaperone.

It is your responsibility to see that Band Camp is a great success and a positive experience for everyone!
